

Website Accessibility Statement

Accessibility Statement for Graphenoil

This is an accessibility statement from Graphenoil.

Measures to support accessibility

Graphenoil takes the following measures to ensure accessibility of Graphenoil:

- Include accessibility throughout our internal policies.
- Appoint an accessibility officer and/or ombudsperson.
- Provide continual accessibility training for our staff.
- At Graphenoil, we try to make our products and services available to all with disabilities. If you encounter any issues, please let us know, and we will try to correct the situation as soon as possible.

Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Graphenoil is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

Notes: The data contained herein are furnished for information only and are believed to be reliable. We cannot assume responsibility for the results obtained by others over whose methods we have no control. It is the user's responsibility to determine suitability for the user's purpose of any production methods mentioned herein and to adopt such precautions as may be advisable for the protection of property and of persons against any hazards that may be involved in the handling and use thereof.

In light of the foregoing, Graphenoil specifically disclaims all warranties expressed or implied, including warranties of merchantability or fitness for a particular purpose, arising from sale or use of Graphenoil products. Graphenoil specifically disclaims any liability for consequential or incidental damages of any kind, including lost profits.

The discussion herein of various processes or compositions is not to be interpreted as representation that they are free from domination of patents owned by others or as a license under any Graphenoil patents that may cover such processes or compositions. We recommend that each prospective user test his proposed application before repetitive use, using this data as a guide. This product may be covered by one or more United States or foreign patents or patent applications.

Trademark Usage: Except as otherwise noted, all trademarks in this document are trademarks of Graphenoil in the USA and elsewhere. ® denotes a trademark registered in the U.S. Patent and Trademark Office. Any and all Graphenoil marks may not be used without prior consent.
